I will use contrasting colors to make items stand out on my page. I will also make use of white backgrounds. I will use changing blocks of color for the background to segment my page and keep interest.

Typography

Sans Serif Fonts to give my page a modern look

Roboto, Lato, Montserrat

I will use a mix of:
- Bold
- Italics
- Shades of black/grey
- Letter spacing
- Line spacing

To break up the text and writing on my page, and keep it dynamic and interesting.Ensuring that it remains accessible to the reader.
